**Last Updated:** July 7, 2025

## **FTC, TCPA, Pre-Recorded Messages, Voicemails, Autodialing, and Robo Calls**

We have adopted and adhere to the policies described below to comply with the Federal Trade Commission's ("FTC") and Federal Communications Commission's ("FCC") regulations, the Telephone Consumer Protection Act ("TCPA") 47 U.S.C. § 227, and if applicable, state Do Not Call laws.

### **1. Overview**

Our campaign utilizes a variety of methods to engage with current and potential supporters. Some of these methods include using automatic phone dialers ("autodialing"), leaving pre-recorded text or voice messages, or using email.

### **2. Express Consent**

The FTC and TCPA require our campaign to obtain prior express written consent before using autodialers for automated calls or voicemails. We must also provide clear caller identification and comply with legal calling hours.

#### **a) Landlines**

Political campaign-related autodialed or prerecorded voice calls are permitted to be made to landline telephones without prior express consent.

### **3. Opt-out**

By subscribing to our campaign, or by contacting us via telephone, you are providing express consent to receive periodic updates or alerts by automatic text message, voicemail, email, or phone call, even if your phone number is on any legal Do Not Call lists. To stop such communications, you may:

- Text "STOP" in reply to any text message
- Dial to "OPT OUT" of any phone call
- Email us at **support [at] butlerbrief [dot] com**

### **4. Records**

We maintain all opt-out records as required by law under FTC and FCC regulations.

### **5. FCC Information**

If you believe you've received a political robocall or text that does not comply with FCC rules, you may file an informal complaint with the FCC at [fcc.gov/complaints](https://www.fcc.gov/complaints). If you are receiving unwanted texts, report the sender by forwarding the messages to 7726 (or "SPAM").
